## New Business

1. Arba looked into an online sale of Romagnolas. Cost: \$2500 + 3% of sale. We don't enough cattle for sale to make it worth the cost yet. We need 20 to make it worth it. We would receive 2 moths of advertising on livestockmarket.com

### 2. Advertising & Exhibition

There were ideas presented by Keirstin, Craig and Shauna.

Bumper Stickers

Hats for all members

Window decals

T-shirts

So far we are in agreement that the Exhibitions are most beneficial when an animal is displayed. We are willing to participate but only if there is an animal on display.

### 3. DNA Presentation

Dustin shared a power point presentation and had copies for all members that included ordering and contact information.

### 4. Bylaws Changes

a. Name change from RRCA to ARCA (American Romagnola Cattle Association)

- Honoring paperwork past (RRCA) and present (ARCA)

- Members must be contacted about name change and 30 days later the Board votes

Motion was made for:

b. DNA Requirements for Registration

- Every Romagnola is DNA tested

- Registration fee goes to \$75/registered full-blood animal

- Registration fee goes to \$50/registered composite animal

- All DNA will be submitted through the association to Neogen

- Neogen submits DNA to the 100k database being built on Romagnolas
