American Romagnola Cattle Association - Office of the President

Dear ARCA Member,

On behalf of the American Romagnola Cattle Association, it is my great honor to welcome you as a member of our growing family of cattle enthusiasts, breeders, and ranchers. We are thrilled to have you join us in preserving, promoting, and advancing the Romagnola breed here in the United States.

Membership in our association comes with many exciting opportunities and benefits. As a member, you will have the ability to advertise your cattle through our official platforms, helping you connect with buyers and fellow breeders nationwide. We also proudly spotlight the farms and ranches of our members, giving your operation the recognition it deserves while sharing your story with the wider Romagnola community.

In addition, we feature monthly interviews with ranchers from across the country. These interviews highlight the dedication, challenges, and successes of our members, allowing us all to learn from one another while building strong professional and personal connections.

Our association thrives because of members like you. Your participation strengthens the network and the future of Romagnola cattle in America. Whether you are new to the breed or a long-time breeder, we are committed to supporting you and celebrating your contributions every step of the way.

On behalf of the Board of Directors and our membership, I extend my warmest welcome. We are honored to have you as part of the American Romagnola Cattle Association and look forward to your active participation in advancing our shared mission.

With warm regards,

Dustin Oxford

ARCA President
